

Forest & Wood Product Companies Trust Augury to Keep Their Machines Healthy

FOREST AND WOOD PRODUCT COMPANIES are turning their traditional companies into leading, data-driven organizations with Augury's machine health solution. Through actionable insights and an emphasis on adoption, our partners see program payback within months of deployment and mitigating hundreds of thousands of dollars in related downtime costs. To ensure success, every customer is guided through their unique business case and asset analysis to highlight the potential bottom-line impact that they can expect to see with our solution.

ROI of program in one year
